Dear Neighborhood Merchant:

Hello! We are the co-presidents of the PTA at Freeman's Mill Elementary School. Our goal this year is to increase our partnership with the local community and we hope that you will join us in meeting this goal! We would love to have your sponsorship and support this year as we work together with the next generation. We have multiple opportunities this year and hope that you will find a way to partner with the parents, teachers and children in our local community. We would love to have you as one of our 2021-2022 community sponsors.

We are looking for sponsors to provide a donation to support multiple activities this upcoming year to benefit the Freeman's Mill students. For a \$250 donation we will provide the following benefits...

1. Place your company logo on our grade level shirts that each student will wear throughout the year at school and in the community. To receive your logo on the grade level t-shirts we must have your logo and donation by August 23 2021.
2. Provide you with a school shirt showing your support (Please indicate size).
3. Your logo will be placed on the school website.
4. Invited to participate in PTA sponsored school activities.
5. Free booth at the annual Polar Express Night, which is a free event for the community at our school.
6. Can send out flyers for your company twice a year.

For a \$300 donation your company will get all of the above plus your logo will be shown on our digital sign on a rolling rotation during the 2021-2022 school year.

We also want to partner with you to be more involved in our community events! We have several events that can be personally sponsored by your business or organization. Each event has minimum needs that we budget for each year. Bear Color Run, Father Daughter Dance, Mother Son Night, Reflections Program, PTA Meeting Nights, All Pro Dad Breakfast Events, Teacher Appreciation Events, Polar Express Night and STEM night are just a few. Please contact Sponsorship@fmespta.org for more information or return your payment and form below to the school.

Sincerely,

Nancy Storey & Kathy Pinzon
