Dear Meadowcreek High School parents and guardians,

Clear and transparent two-way communication is a core value at Meadowcreek High School. It is a commitment to keep each and every family updated about important developments at our school. With that in mind, I am writing to address a situation that has prompted several calls from concerned parents regarding an alleged threat made toward our school.

School administrators, working in tandem with school police, have thoroughly investigated the rumors and have not been able to identify a specific threat made against our students or school. Let me be clear, despite what you may have heard, we have found no evidence that a threat has been made against our school. However, as a precaution we do have additional school resource officers on campus today.

I want to thank the families who reported their concerns to us. I realize these types of rumors are concerning and understandably create uneasiness among students and parents. Once again, I want to reassure you that we have investigated and dealt with this situation. As always, I thank you for your continued support!

Sincerely,  
Dr. Kevin Wood  
Principal

Estimadas familias y tutores de Meadowcreek High School,

La comunicación bidireccional clara y transparente es un valor central en la Escuela Meadowcreek High School. Es un compromiso mantener a todas y cada una de las familias actualizadas sobre desarrollos importantes en nuestra escuela. Con eso en mente, escribo para abordar una situación que ha provocado varias llamadas de padres preocupados por una supuesta amenaza contra nuestra escuela.

Los administradores escolares, trabajando en conjunto con la policía escolar, han investigado a fondo los rumores y no han podido identificar una amenaza específica contra nuestros estudiantes o la escuela. Permítanme ser claro, a pesar de lo que hayan escuchado, no hemos encontrado evidencia de que se haya hecho una amenaza contra nuestra escuela. Sin embargo, como precaución, tenemos oficiales de recursos escolares adicionales en la escuela hoy.

Quiero agradecer a las familias que nos informaron de sus preocupaciones. Me doy cuenta de que este tipo de rumores son preocupantes y, comprensiblemente, crean inquietud entre los estudiantes y los padres. Una vez más, quiero asegurarles que hemos investigado y tratado esta situación. Como siempre, ¡les agradezco su continuo apoyo!

Sinceramente,  
Kevin Wood  
Principal
