Dear Parents and Students,

It is my hope that you have received the communication from the district office regarding digital learning days and events for the next week. At this time, GCPS will participate in digital learning on March 16th-20th. On Thursday, March 19th, Gwinnett County Public Schools will announce its plans for March 23rd-27th, following a thorough review of the COVID-19 situation at that time.

Your children have had much practice using eCLASS and should be able to log on and get started on their own. Teachers will continue to create meaningful lessons and learning throughout the week while keeping in mind the restrictions some families may have. Teachers, administrators, and staff will be monitoring digital learning and will do our best to support our families. Should you have difficulty, please email your child's teacher first.

Additional staff will also be available for you to contact during the school day. Our school phone number is 770)246-5300.

As part of next week's work schedule, GIVE West will provide lunches for children 18 and under. These lunches will be provided at *no cost to students* through the federal School Nutrition Program (during March 16th-20th). We will have lunches ready for pickup at the ISS boardwalk at GIVE Center West beginning Monday. This pickup will be available from **11 a.m. to 1 p.m.** In addition, GCPS school buses will make lunches available for pickup at some bus stops. Information about estimated delivery times at these bus stops will be shared on the GCPS website once they are finalized. Please visit the Gwinnett County Public Schools website for the most up to date information. Please do not hesitate to contact the school if you need assistance.

Thank you for your patience during this time as we strive to keep all of our families safe and healthy.

Dr. Donna Bishop
Principal, GIVE Center West
