

I ♥ TO READ

I ♥ TO WRITE

Mill Creek Cluster K-8 Student Literacy Institute

June 17-20, 2019 at Duncan Creek Elementary!

What is the Student Literacy Institute? Our program is an enrichment opportunity for students to refine their reading and writing skills. During the Institute, students will:

- *attend a learning session by a published author!
- *create and publish a writing piece!
- *receive an "I'm Published!" t-shirt!
- *receive a new writer's notebook!
- *receive a new book to model author's craft!
- *attend our Author Celebration!

*Students will participate in a reading and writing workshop each day! Classes will focus on generating writing topics in a writer's notebook, using authors as writing mentors, revising techniques to craft student writing, and reviewing essential editing skills at the appropriate intensity and skill level for the students attending. Each student will spend time with a published author to talk about writing and reading! Our program has a direct focus on the process of writing, but does not offer remediation in grammar and other specific skills. At the end of the week, students will get to share their work and publish a book! Mark your calendar for our Author Celebration on Thursday, June 20th, when you'll get to see all of your child's hard work!
