8:45am-10:00am
Zoom Meeting

Free for GAGE members

$10 for non-members
(or join GAGE for $25 and get additional benefits! See details at http://gwinnettgifted.org/membership/)

Parents and Educators, please join us for a gifted education gathering!

Learn about family engagement with your gifted child from UGA Professor Dr. Tarek Grantham.

Dr. Grantham's research focuses on equity for under-represented students in advanced programs, recruitment and retention, creativity policy, mentoring, gifted Black males, multicultural education, motivation, and parent engagement. He has served as Program Coordinator for UGA's GCE on-campus and online graduate degree programs. Dr. Grantham continues to provide both local and national leadership through numerous organizations and projects.
