NEW TRAFFIC FLOW PATTERNS

To avoid extra traffic congestion at the intersection of Webb Gin House Road and Dogwood Road, Brookwood will no longer allow a westbound, left-hand turn from Dogwood Road into the school parking lot during school day mornings 6:00-7:30 a.m. Please utilize either of two parent drop-off lanes along Dogwood Road; there is one located on each side the campus (look for the two blue squares below). Only buses are permitted to use the horseshoe drive-way at the front of the school during morning arrivals and afternoon dismissals. On-campus student parking is located in the northwest part of the campus; students should enter from either Hollybrook Road when driving north toward Dogwood Road, or from Webb Gin House Road when driving south into the main school entrance. The map below is also on the school website under General Information.
