MPES does not provide student headphones to use in the classroom or computer labs.

Why do we ask for headphones?

- Students need them for classroom computers and their own devices.
- Students need them for DA testing each 9 weeks.
- Students need them for their weekly Technology Enrichment special.

Most importantly:

- For hygienic reasons. Sharing headphones means sharing HEAD LICE!

Why do we ask for no earbuds?

- Earbuds tangle easily.
- Students cannot easily use them.
- Earbuds are not safe for still growing/developing ear drums & hearing.

Please purchase a set of easy to use, inexpensive headphones when buying your school supplies. They are necessary and important!
