

Cassie's Collection

Dear Ivy Creek Family,

In honor of our precious friend, Cassie Moates, we'd like to begin a special collection of books in the library in her memory. Each book purchased will have a personalized bookplate attached inside. It is our hope that whenever you or one of your children select one of these books to read, you'll think of the joy Cassie brought to Ivy Creek.

If your family or grade level would like to donate a book to the library collection, you may visit [MyPaymentsPlus](#) to make your purchase. Then, fill out the [Cassie's Book Collection Form](#) to indicate your book preferences and bookplate personalization. The media staff will purchase library-bound copies of the requested books and display them when they arrive.

We hope this will be an ongoing tradition to remember Cassie by sharing books she would have loved for her students to read.

If you have any questions or need more information, please contact Kimberly.Sharp@gcpsk12.org.

Books are \$20 each.
Please submit your orders
by Friday, November 18th.
