

# Calling all entrepreneurs!

We are looking to showcase our families and their business ventures while earning money for our school at the same time! If you have an independent business and would like to get more information on how this works, email Amanda Eich [ala0118@gmail.com](mailto:ala0118@gmail.com).

Each month we will have one business showcased. These showcases will work exactly like a spirit night. This month our small business spotlight is Pampered Chef with Kate Falcone-Smith. She is holding a sale for three weeks in October and any purchase made using the promo code will earn money for the school up to 15% of the total sales for those weeks!!! Since we are not having our big fundraiser this year, we thought this would be a fun way to support our families and help our school at the same time! Check out her [website](#) for some awesome personal or holiday gift items! Information can be found in our Bear Brief or on the school website.

As always, we thank you for your support!!!
