BASKETBALL TRYOUTS

Boys & Girls Grades 5th, 6th & 7th

The Berkmar cluster will be holding tryouts for players living within the Berkmar school cluster that want to participate in this winter basketball season. We will select 10-12 players for each team. Players will have the opportunity to compete against friends and fellow student athlete's in neighboring schools. A pre-season jamboree starts the season off in late October 2022 followed by regular season play which kicks off in mid November 2022. The season will end in mid February 2023. Games will be played at nearby Gwinnett County schools and Suwanee sports academy.

**Tryouts will be held at Berkmar HS Gymnasium
405 PLEASANTHILL RD. LILBURN, GA 30047**

SUNDAY SEPTEMBER 18TH & SEPTEMBER 25TH @ 2PM

The Berkmar youth basketball program was formed to develop a competitive youth program in the community designed specifically to enhance the skill set and mind set of players with the desire to play high school and college basketball. We welcome all players that are serious about learning the game of basketball. **NOT ALL PLAYERS MAKE THE TEAM.** After your child has been selected for the team. Please note, at the first registration meeting you will be required to pay a non refundable deposit of \$100 that will be applied to the cost or your child's registration fee, uniform and insurance. Players must live in the Berkmar HS cluster to be on a team, but do not necessarily have to attend a Gwinnett County Public School. Players can not play below their grade level.
