

# Welcome to Cub Scouts

What is Cub Scouts? What do Cub Scouts do? And what's the mission of the program? The answer is actually pretty simple. Cub Scouts is a program within the Boy Scouts of America that serves youth from 5 to 10 years old.

Your child will have fun playing games, building a race car for their annual Pinewood Derby, camping out, and earning badges. As a parent, you will be proud of what your child will learn about community service, having responsibilities, cooperating with others, and practical life skills like basic first aid.
