

Reflections Contest

2019 THEME ANNOUNCED!

The 2019-2020 Theme for the National PTA Reflections Contest is ***Look Within***.

The 2019-2020 theme ***Look Within*** will help students to look within themselves to determine what drives them, inspires them, and what they are most passionate about. Students can look within their communities to find the good, the bad, and what needs to be done to help their communities thrive.

This National Arts contest invites you to show your love for the arts in the categories of dance choreography, music composition, photography, visual arts, literature and filmmaking. Winners will be selected in each arts category in 3 divisions, if applicable: Pre-K-2, 3-5, and special artist.

Participants will be celebrated at an ice-cream party. Prizes for 1st, 2nd & 3rd place will be awarded for each category in each grade. The first and second place winners will move on to county and possibly state or national levels.

ENTRY FORMS AND OFFICIAL RULES

Students may enter as many times as they like in each category, as long as each submission has a signed entry form. If your child has completed a project in class, an entry form must be completed by the parent/guardian prior to submission.

Please carefully review the guidelines for each category below, as all projects must meet size and other requirements for their specific category. For example, all music composition and dance choreography entries must be original works of art (musicians must “compose” the music played and dancers must actually “choreograph” the dance moves).

NOT FOLLOWING ALL GUIDELINES COULD RESULT IN ENTRIES BEING DISQUALIFIED.
