# COMETS CARE CLOSET

**WE ARE EXCITED TO HAVE THE  
OPPORTUNITY TO GIVE BACK TO OUR  
COMMUNITY AND FAMILIES.**

If you are in need of food, please fill out the google form by using the QR Code below. Once we receive your family's completed form we will begin to pack up your items. When it is complete we will let you know, so that you can pick up your items from Norton. We hope this offers help to those in need.

We are continuing to accept donations of canned goods and non-perishable household items to ensure the Comets Care Closet remains stocked.
