Dear Parent/Guardian of a Rising 10th – 12th Grader,

Good morning! I wanted to provide you with a timeline for a few upcoming events related to the opening of our new school.

Rising 10th-12th Grade Seckinger High School Commitment Form (Required) - In September, you received a letter from the GCPS Director of Planning notifying you of the reassignment of your address to Seckinger High School and the option for your child to remain at their current high school. On Tuesday, November 16, you will receive an email with the school commitment form. **We must receive a school commitment form for each student indicating if the child will attend Seckinger or their current high school next fall.** This is necessary to allow the high schools the opportunity to plan programs, finalize course listings, and adjust staffing plans based on student enrollment and interest. Please complete this required commitment form by Tuesday, November 30.

Rising 10th-12th Grade Parent Y'all Come Information Nights (Optional) – We will host Parent *Y'all Come* Information Nights at 6:30 p.m. in the Harmony Elementary School cafeteria for families of students who have been reassigned to Seckinger. Come learn more about our new school and the opportunities available to Seckinger students. To ensure we can answer your questions, we are holding a meeting for **rising 10th-12th grade families** whose last name begins with the letters A-L on Monday, November 29, and another meeting on Tuesday, November 30, for those whose last names begin with the letters M-Z. We will provide the information that we shared with your student last week when we visited the schools during lunch periods. This information includes details regarding the innovative design and learning experiences at SHS, along with frequently asked questions and an overview brochure. For those unable to attend, all this information, including the presentation, will be posted on our [school website](#) by Tuesday, November 23. **Course selection and registration process will begin in late January.*
