

Seckinger Community School Summer Health & PE 2022

May 31 – June 23

Both classes will be taught online and be self-paced.
Registration will close on May 6 (or earlier if classes are full).

Seckinger Community Summer Health and PE will be taught online. Although assignments will have due dates to prevent students from getting behind, all course materials and assignments except for the final exam will be available after the first day of class and students can work ahead if they want. Additionally, teachers will schedule optional Zoom sessions for students who need assistance.
