

# Use the GCPS Parent Portal to stay connected!

## Be in-the-know while you are on-the-go with the school district's Parent Portal!

We know that families want easy access and one go-to location for need-to-know information about their student's education—from records to resources. Just as important, you want an easy way to stay in touch with the school. The Parent Portal gives parents access to grades, assignments, and communication with teachers. *And that's just the beginning...*

### A Direct Line to the Classroom, with 24/7 Real-Time Information and Anytime, Anywhere Access

Student information is only as helpful as it is current. That's why parents can count on always seeing up-to-the-minute information.

- **Single Sign-On**—Use just one login to see information for all of your children, regardless of school.
- **Everything in One Place**—Access student information in a single location, including student information, gradebook data, discipline, report cards, transcripts, calendars, and more.
- **Connect with Teachers**—Use the in-portal messaging feature to stay in touch with your child's teachers.
- **Calendar**—Look up school holidays and events, even assignment due dates!
- **Class Schedule**—Check your student's schedule to find course titles, teacher names, and room assignments.
- **Grades and Assignment Scores**—Check performance right away to learn about missing assignments and whether your student is on track academically or if extra help may be needed.
- **Course History**—View final grades for all grade levels, and use easy-to-read graphics to track progress toward graduation for high school students.
- **Administrative Info**—See attendance and discipline records, clinic visits, transcripts, graduation status, and more.
- **Student Information Updates**—Easily update emergency contact, phone numbers, and medical information.
- **Customizable Alerts**—Opt in to get email notifications about school events, attendance, discipline incidents, and when a student performs below a specified grade.
- **Fees**—Find fees that are owed and what textbook/library books are checked out by your student.
- **Online Registration**—Update information on existing students or register a new student through Online Registration. And, it's now possible to upload documents for registration.
- **Language Support**—Translation within the portal is available in Spanish, Korean, Vietnamese, Chinese, and French.

# Take a Tour of the Parent Portal...

Access the Parent Portal via the GCPS website. You'll find a new look, feel, and functionality, started with the Parent login page...

**A** Families can view a **translation** of the portal, using one of five languages supported within the site, including Spanish, Korean, Vietnamese, Chinese, and French.

**B** To review a student's data, the parent will click on the **Student Information** Tile.

**C** The tile will flip to an information tile and allow the parent to access **ParentVUE (Synergy)**.

The main page also gives families easy access to **Transportation** information, **MyPaymentsPlus**, **Parent Resources**, and a quick link to the **SchoolMessenger** notification system.

**D** In **ParentVUE**, users can view the different areas by selecting the tabs on the left side of the page.

**E** The **Grade Book** tab allows parents to see their student's classes and averages.

**F** In the **Detailed Grade Book** view, users can drill down into any class to see a detailed view of assignments, missing tasks, future tasks, and a breakdown of assignments by category.

**G** The **Calendar** tab allows a parent to see assignments at a glance by day, week, or month.

**H** The **Student Info** tab allows parents to update phone numbers, emergency contact information, and health conditions—quickly and easily.
