

## FEEDBACK QUALITY REVIEW TOOL

### Specific:

1. Does the feedback reinforce the teacher's strongest practice areas?
2. Are specific examples from the observation cited throughout the feedback?
3. Is the feedback aligned to the practice rubric?

### Prioritized:

4. Does the feedback focus on 1 or 2 areas for improvement?
5. Will the focus of the feedback have the greatest impact on teacher and student performance?
6. Is the feedback appropriate to the context of the classroom?

### Actionable:

7. Does the feedback include action steps that offer the teacher a clear picture of what this would look like in his/her classroom?
8. Is the feedback feasible to implement successfully in the near future?

### Supportive:

9. Does the feedback include resources or strategies the teacher can utilize?
10. Is the tone of the feedback supportive?

### Timely:

11. Was the feedback provided soon after the observation?
