## Local School Plan for Improvement

### Craig Elementary School

Angela Wright, *Principal*

Joe Ahrens, *Assistant Superintendent*

Accountability and flexibility are hallmarks of Gwinnett County Public Schools' success. Key to that success is ensuring that each school community understands the progress being made by its schools, as well as what plans will drive improvement. Each school creates a collaborative Local School Plan for Improvement (LSPI), with targeted goals based on student achievement results. These goals are dynamic, like our schools, and are updated to reflect changes that occur in schools. Data is used to determine areas needing improvement and to identify specific, measurable, annual objectives. Schools then determine how to use research-based strategies to achieve these goals, using flexibility as needed. The LSPI development process involves teachers, parents, and community members, so the entire school community has the opportunity to be involved in conversations about school improvement. Please contact the local school principal for more information about the school's plan and progress.

- **Long Term Goal**

Craig Elementary will increase academic performance in Mathematics and the application of Science for students in all subgroups to an acceptable goal of 80% and an excellence goal of 90% in grade levels 3, 4 and 5 on the Georgia Milestones by 2022.

- o **Annual Goal**

Craig Elementary students will demonstrate proficiency in mathematical computation skills and problem solving abilities by scoring on or above their expected levels of performance/growth on the Gwinnett County Public Schools District (GCPS) Unit Assessments. All students will score a 75% or above on Math Unit Assessments. In addition, Craig Elementary will increase the percentage of students achieving at the Proficient or Distinguish levels on the Georgia Milestones Assessment in Mathematics by 3 percentage points for an acceptable goal and 6 percentage points for an excellence goal over 2018-2019 results in grade levels 3, 4 and 5.

- **Long Term Goal**

Craig Elementary will increase academic performance in Language Arts including Reading, Writing, and the application of these skills into Science and Social Studies for students in all subgroups to meet and/or exceed an acceptable goal of 80% and an excellence goal of 90% in grade levels 3, 4 and 5 on the Georgia Milestones by 2022.

- o **Annual Goal**

Craig Elementary students will demonstrate effective reading comprehension skills and fluency by scoring on or above expected levels of performance/growth on Gwinnett County Public Schools' (GCPS) Unit Assessments. All students will score a 75% or above on ELA Unit Assessments. In addition, Craig Elementary will increase the percentage of students achieving at the Proficient or Distinguish levels on the Georgia Milestones Assessment in English Language Arts by 3 percentage points for an acceptable goal and 6 percentage points for an excellence goal over 2018-2019 results in grade levels 3, 4 and 5.

- **Long Term Goal**

The Brookwood Cluster will increase rigor for all students to reach their greatest potential through appropriate acceleration in Science, Technology, Engineering, Arts, and Math.

- o **Annual Goal**

Craig Elementary students will demonstrate proficiency in mathematical computation skills and problem solving abilities by scoring on or above their expected levels of performance/growth on the Gwinnett County Public Schools District (GCPS) Unit Assessments. All students will score a 75% or above on Science Unit Assessments. In addition, Craig Elementary will increase the percentage of students achieving at the Proficient or Distinguish levels on the Georgia Milestones Assessment in Science by 3 percentage points for an acceptable goal and 6 percentage points for an excellence goal over 2018-2019 results in grade 5.
