## Local School Plan for Improvement

### Meadowcreek High School

Kevin Wood, *Principal*

Anthony Smith, *Assistant Superintendent*

Accountability and flexibility are hallmarks of Gwinnett County Public Schools' success. Key to that success is ensuring that each school community understands the progress being made by its schools, as well as what plans will drive improvement. Each school creates a collaborative Local School Plan for Improvement (LSPI), with targeted goals based on student achievement results. These goals are dynamic, like our schools, and are updated to reflect changes that occur in schools. Data is used to determine areas needing improvement and to identify specific, measurable, annual objectives. Schools then determine how to use research-based strategies to achieve these goals, using flexibility as needed. The LSPI development process involves teachers, parents, and community members, so the entire school community has the opportunity to be involved in conversations about school improvement. Please contact the local school principal for more information about the school's plan and progress.

- **Long Term Goal**

All students attending Meadowcreek High School will graduate from high school within four years and one summer.

- **Annual Goal**

Meadowcreek High School's cohort graduation rate will increase 5% from the final 2019 reported cohort graduation rate.

- **Long Term Goal**

Students leaving Meadowcreek High School will use effective written and oral communication skills to define, describe, and solve complex problems. Meadowcreek High School students will score at or above the GCPS average on the Science and Social Studies Gateway exam.

- **Annual Goal**

Meadowcreek High School will increase 10% in student performance as measured by student success rates in science courses and the Biology EOC exam. The 10% improvement will be across all subgroups.

- **Annual Goal**

Meadowcreek High School will increase 10% in student performance as measured by student success rates in language arts courses and the 11th grade EOC exam. The 10% improvement will be across all subgroups.

- **Long Term Goal**

Meadowcreek High School students will effectively use mathematics skills and collaboration to solve novel problems and improve performance on multiple assessments. Meadowcreek High School students will score at or above the GCPS average on the Math and Science Georgia Milestones Assessments.

- **Annual Goal**

Meadowcreek High School will increase 10% in student performance as measured by student success rates in mathematics courses and the Algebra I EOC exam scores. The 10% improvement will be across all subgroups.

- **Long Term Goal**

We will build our parents' capacity to support their children's academic achievement by implementing the activities identified in The Plan/The Promise.
