

2020 - 2021

Local School Plan for Improvement

Peachtree Ridge High School

Jadd Jarusinski, *Principal*

Dr. Reuben Gresham, *Assistant Superintendent*

Accountability and flexibility are hallmarks of Gwinnett County Public Schools' success. Key to that success is ensuring that each school community understands the progress being made by its schools, as well as what plans will drive improvement. Each school creates a collaborative Local School Plan for Improvement (LSPI), with targeted goals based on student achievement results. These goals are dynamic, like our schools, and are updated to reflect changes that occur in schools. Data is used to determine areas needing improvement and to identify specific, measurable, annual objectives. Schools then determine how to use research-based strategies to achieve these goals, using flexibility as needed. The LSPI development process involves teachers, parents, and community members, so the entire school community has the opportunity to be involved in conversations about school improvement. Please contact the local school principal for more information about the school's plan and progress.

- **Long Term Goal**

Peachtree Ridge High School will increase its graduation rate to 93% by 2020-21 through a focus on continual improvement in student performance as indicated by Georgia Milestones, Gateway, and AP exams. Particular emphasis will be placed on the ELL/LEP, SWD and economically disadvantaged subgroups in order to meet or exceed local and State accountability targets.

- o **Annual Goal**

Peachtree Ridge High School will increase its cohort graduation rate for all students by 1% through Tier 1 instruction for all Peachtree Ridge students, effective teacher collaboration, alignment of assessments with the rigor of teaching and learning, and Quality Plus Teaching Strategies. Peachtree Ridge's aim is to outperform local, nationally and internationally benchmarked schools on high stakes assessments.

- o **Annual Goal**

Peachtree Ridge High School will maintain its student achievement in Advanced Placement courses while increasing enrollment by 2% and AP test participation by 2%.

- **Long Term Goal**

The Peachtree Ridge cluster will demonstrate improved student literacy and critical thinking. Rigor in the classroom will be increased through an integrated approach involving the alignment of assessments with student learning using vertical teaming, eClass, STEM, and literacy strategies across the curriculum for all students.

- o **Annual Goal**

Peachtree Ridge High School will improve student literacy across all disciplines as measured by an increase in the overall percentage of students who Meet and/or Exceed on the Gateway Exam and demonstrate performance gains on EOC's.
