

2022-2023 Local School Plan for Improvement (LSPI)

School: Dacula High School Principal: Jeannie Hidalgo

Accountability and flexibility are hallmarks of Gwinnett County Public Schools' success. Key to that success is ensuring that each school community understands the progress being made by its schools, as well as what plans will drive improvement. Each school creates a collaborative Local School Plan for Improvement (LSPI) to increase student achievement results, with targeted goals based on the four strategic priorities within the district's [Blueprint for the Future](#): **Empathy, Equity, Effectiveness, and Excellence**. All schools across the district will focus on goals **2A- Multi-tiered Systems of Support** and **2B- Opportunity and Access**. However, schools are required to select one goal from each of the other strategic priorities for the 2022-2023 school year. LSPI goals are dynamic, like our schools, and are updated to reflect changes that occur in schools. Multiple data points are used to determine areas needing improvement and to identify specific, measurable, annual objectives. Key Performance Indicators (KPIs) are the way we will measure success for each goal. Schools then determine how to use research-based strategies to achieve these goals, using flexibility as needed. The LSPI development process involves teachers, parents, students, and community members, so the entire school community has the opportunity to be involved in conversations about school improvement.

Strategic Priorities & Goals Focus Work	Rationale	Action Steps (Implementation Design)	How will you measure growth? Growth Factors (KPI Baseline & Targets)
Empathy 1B: Staff and student wellbeing	Dacula High is working to build an atmosphere conducive to teaching and learning through the implementation of Social Emotional Learning and Restorative Practices, with an emphasis on student and staff well-being, self-care, and physical and mental health.	<p><u>Student</u></p> <ol style="list-style-type: none"> 1. Increased SEL Advisement sessions 2. Opportunities to understand the impact of behaviors 3. Check In/CheckOut with identified students as part of Multi-Tiered System of Supports <p><u>Staff</u></p> <ol style="list-style-type: none"> 4. Prioritizing Adult Social Emotional Learning through school-based professional development 5. Regular wellness activities hosted by the Counseling Department 6. Appreciation Activities 	Increase Percent Positive Responses (Often True + Almost Always True) on EES items: <u>Student</u> I enjoy coming to this school Baseline: 35% 2023 Target: 40% Students are involved in solving problems in this school. Baseline: 60% 2023 Target: 63% <u>Staff</u> I receive training on instruction to support social emotional learning.

Strategic Priorities & Goals Focus Work	Rationale	Action Steps (Implementation Design)	How will you measure growth? Growth Factors (KPI Baseline & Targets)
			Baseline: 61% 2023 Target: 63% Staff at all levels are treated fairly here. Baseline: 85% 2023 Target: 87%
90 Day Review: Student: <ul style="list-style-type: none"> ● Increased advisement sessions to 2 per week. Dedicated a counselor to developing the advisement program. Use of SEL curriculum consistent with CASEL. ● Our PBIS Specialist, Byron Wilson, works with students to understand their actions and the impact of actions. The conversation about impact of behaviors has become a regular part of our behavior management practices when meeting with students about their referrals. ● Administrators check in regularly with a small group of identified students in the morning and afternoons. Mr. Mangino checks in with all of our Rise Up Graduates. Staff: <ul style="list-style-type: none"> ● Professional Development at the beginning of SY 22-23 this year centered on the definition, impact, and importance of SEL. Dr. Smith hosted a Jimmy Casas professional development. ● Our counselors have hosted various activities (Halloween, Dogs), and put in Hydration Stations in three locations to help teachers keep themselves hydrated throughout the day. ● Appreciation stations have taken place each month for our teachers. ● We have established a positive social media presence recognizing our teachers, Falcons Spotlight, Teacher of the Month, Coach of the Month, etc. 			Data Update on Available Measures

2022-2023 Local School Plan for Improvement (LSPI)

School: Dacula High School

Principal: Jeannie Hidalgo

Strategic Priorities & Goals Focus Work	Rationale	Action Steps (Implementation Design)	How will you measure growth? Growth Factors (KPI Baseline & Targets)
<p>Equity 2A: Multi-tiered system of supports</p>	<p>Dacula High will use instructional strategies in the classroom to meet the needs of each and every student and provide intervention to support learning needs.</p>	<ol style="list-style-type: none"> 1. Universal Screeners in LA and Math will be given three times per year 2. Targeted Tier 1, 2, and 3 interventions developed by the MTSS Team based on screener data will be put in place 3. While Dacula previously provided substantial intervention but will now be moving toward more targeted intervention to improve skills based on screener data 4. Advisement Lessons will be based on needs identified by Wellness Screeners 	<p>Baseline: Pass rate at various points in the semester (9/20/22 = 20%) Target: Increased pass rate at the end of the semester</p> <p>Data from progress monitoring tools will show a positive impact from MTSS programs.</p>
<p>90 Day Review:</p> <ul style="list-style-type: none"> ● The MAP Growth Screener was given in August and January, and will be given again in March. ● Our MTSS Leadership Team reviewed whole school data and developed action plans based on actions we can put in place to support students academically and social-emotionally. ● During the first semester, we provided academic interventions centered around grades to help students complete assignments to bring up their grades. 9th and 10th grade ELA teachers were trained on Achieve3000, a county approved intervention, to support our tier 2 and tier 3 students. ● We are serving 45 students in Tier 3 Reading Intervention utilizing reteaching strategies and followed by practice using Achieve3000. We are also serving 45 students in Tier 3 Math Intervention where teachers are reteaching cognitive routines followed by practice using IXL and Delta Math. Students in Tier 3 were specifically placed in Reading and Math intervention classes, regardless of grades, and they have been monitored through the iSteep program. ● We are training three staff members on March 3rd in Read180, which is an intensive Tier 3 reading intervention to support students. 			<p>Data Update on Available Measures</p>
