## 2022-2023 Local School Plan for Improvement (LSPI)

**School: Harbins ES  Principal: Jimmy Lovett**

Accountability and flexibility are hallmarks of Gwinnett County Public Schools’ success. Key to that success is ensuring that each school community understands the progress being made by its schools, as well as what plans will drive improvement. Each school creates a collaborative Local School Plan for Improvement (LSPI) to increase student achievement results, with targeted goals based on the four strategic priorities within the district’s Blueprint for the Future: **Empathy, Equity, Effectiveness, and Excellence**. All schools across the district will focus on goals **2A- Multi-tiered Systems of Support and 2B- Opportunity and Access**. However, schools are required to select one goal from each of the other strategic priorities for the 2022-2023 school year. LSPI goals are dynamic, like our schools, and are updated to reflect changes that occur in schools. Multiple data points are used to determine areas needing improvement and to identify specific, measurable, annual objectives. Key Performance Indicators (KPIs) are the way we will measure success for each goal. Schools then determine how to use research-based strategies to achieve these goals, using flexibility as needed. The LSPI development process involves teachers, parents, students, and community members, so the entire school community has the opportunity to be involved in conversations about school improvement.

90 Day Review:
- Utilization of the GCPS Behavior Coach through the individualized support of multiple teachers.
- Collaboratively Planning Professional Learning Opportunities with the Behavior Coach
- Implementation of No Place for Hate lessons provided by the counselors, across multiple grade levels
  - Teachers submit names of students for “shout outs” to be read by administrators on the morning announcements
  - Administrators gather “shout outs” for staff to be shared during faculty meetings
- Monthly staff SEL activities and Wellness Checks
- School-wide Morning Meeting time to implement No Place for Hate lessons and other SEL sessions

EES Survey Results forthcoming

PBIS Walkthrough conducted by PBIS support staff from the county noted numerous areas of strength in our schoolwide implementation of PBIS

No Place for Hate lesson implementation has been well received and garnered positive feedback from both faculty and students

The number of “shout outs” submitted by staff for student recognition and peer recognition has increased month to month

- Monthly MTSS Team Meetings
- Students are provided tier 2 and 3 interventions through support teachers during targeted intervention time
- Additional Staff have received training on LLI and Comprehension Toolkits
- After the Midyear iReady Universal Screener was administered, teachers completed data review sheets which examined Student Growth and Student Performance
- MTSS Team reviewed Midyear iReady data and created a list of students receiving EIP services that were recommended for exit from

A large number of students have been identified as meeting the criteria for exiting EIP, based upon the Midyear iReady data, while several students will begin EIP support in Math and Reading according to their Midyear iReady data.
Many staff members have completed training on LLI and Comprehension Toolkits.
