

## 2022-2023 Local School Plan for Improvement (LSPI)

**School: Twin Rivers Middle School      Principal: Betsy Kelly**

Accountability and flexibility are hallmarks of Gwinnett County Public Schools' success. Key to that success is ensuring that each school community understands the progress being made by its schools, as well as what plans will drive improvement. Each school creates a collaborative Local School Plan for Improvement (LSPI) to increase student achievement results, with targeted goals based on the four strategic priorities within the district's [Blueprint for the Future: Empathy, Equity, Effectiveness, and Excellence](#). All schools across the district will focus on goals **2A- Multi-tiered Systems of Support and 2B- Opportunity and Access**. However, schools are required to select one goal from each of the other strategic priorities for the 2022-2023 school year. LSPI goals are dynamic, like our schools, and are updated to reflect changes that occur in schools. Multiple data points are used to determine areas needing improvement and to identify specific, measurable, annual objectives. Key Performance Indicators (KPIs) are the way we will measure success for each goal. Schools then determine how to use research-based strategies to achieve these goals, using flexibility as needed. The LSPI development process involves teachers, parents, students, and community members, so the entire school community has the opportunity to be involved in conversations about school improvement.

Strategic Priorities & Goals Focus Work	Rationale	Action Steps (Implementation Design)	How will you measure growth? Growth Factors (KPI Baseline & Targets)
<b>Empathy 1B:</b> Staff and student wellbeing	We believe focusing on student wellness will improve belonging and lead to student success.  We believe staff who feel heard, appreciated, and equipped to do their job are more likely to exceed expectations and return the following year.	<u>Student</u> <ul style="list-style-type: none"> <li>● Acknowledge students who are meeting and exceeding expectations through Student of the Month, Bear Pride, and PBIS like events</li> <li>● Increase opportunities for students to participate in school improvement by building upon existing programs such as Beta Club and Peer Leadership and creating new groups such as</li> </ul>	<b>Data from EES survey administered during the spring of 2022</b>  <b>Student Responses:</b> <b>I enjoy coming to this school.</b>  Baseline: 43%                      Target: 49%  <b>Students are involved in solving problems at this school.</b>  Baseline: 61%                      Target: 65%  <b>Staff Responses:</b>
