MARK YOUR CALENDAR: The MILESTONES ASSESSMENT will take place April 21 - May 13 for students in Grades 3-5. While not all students will be involved in testing, they may be impacted by schedule changes that have been made to accommodate for testing.

If at all possible, avoid scheduling appointments for your student(s) during these dates.

If this is inevitable, please contact the front office or your child’s teacher regarding schedule modifications prior to scheduling an appointment.

We would ask that students in Grades 3-5 get plenty of sleep the night before testing, eat a nutritious breakfast, and arrive at school on time on assessment days.

For additional information regarding the GA Milestones assessments, please use the links provided below:
