Dear Anderson-Livsey School Community,

I am humbled and honored to introduce myself to you as the new principal of Anderson-Livsey Elementary School as of Friday, November 17, 2023. I am committed, now more than ever, to ensure that Anderson-Livsey is a school that cares for each and every student while providing them with an enriching and challenging learning environment.

I firmly believe that every child can succeed and as a result, I am excited about this opportunity and what lies ahead. My conversations with students, teachers, and parents over the last few months have brought me privileged insights into what is needed to move the school forward.

I look forward to building upon the work that we have done as a school community. However, I realize I cannot do this work alone. I sincerely welcome your input, conversation, and engagement as a school community.

In closing, every day, especially today, is a great day to be a General! Let us keep our students as the primary focus of our work. I can not wait to celebrate our collective successes for many years to come.

Sincerely,

Christopher Jackson
Anderson-Livsey ES Principal

"Providing Learning that Lasts a Lifetime"
