

April 6, 2020

Hello, Brookwood Family.

First and foremost, we hope this letter finds you and your family safe and healthy. For those of you who are not aware, Northside Hospital Gwinnett has had a partnership with Gwinnett County Public Schools to provide Certified Athletic Trainers at the majority of the high schools in Gwinnett for many years. Like most of you, the coronavirus pandemic has changed the way that we are able to conduct business. As medical professionals, we are used to face-to-face evaluations and rehabilitations to get and keep your student athletes healthy. Unfortunately, we are unable to provide a face-to-face evaluation or treatment at this time. However, we will be offering telemedicine appointments to provide continued care to those athletes with existing conditions prior to the school shut down and evaluations for new injuries that may have occurred.

If you have a student athlete that has questions or concerns regarding an injury, evaluation, or rehab exercises, please contact us. We are still here available to you and your student athletes for anything you may need. Just reach out. We will be using Skype, FaceTime, text messages, and phone calls in order to keep the line of communication open while we conduct telemedicine. These consultations are with written parent/guardian approval only, and are free of charge. Through these times and always, Northside Hospital is committed to providing excellent care to the community. We will get through this together!

To find out more information on our services and how telemedicine will work going forward, feel free to contact us. Our information is below.

Rachel Martinez: (678) 315- 4724

Jay Pearson: (404) 218- 1005

Hours of Availability

Monday - Friday

3 PM- 6 PM

**** We are flexible and can be available at other times should that be more convenient.****

We understand that this is a very fluid situation and that it could become stressful at times. We are here to help take care of your student athletes just as we were before this pandemic took place. Communication is key, so please communicate with us if your student athlete needs help in any way. We are still available for you, Broncos!

Stay safe and stay healthy,
Rachel Martinez LAT, ATC, ITAT
Jay Pearson LAT, ATC, ITAT
